

Sample Summer Letter

Hello new third grader!

I am so happy you will be part of my class this school year. I certainly hope you had some wonderful experiences this summer and still have a few coming up. No doubt you have thought about school (just a little bit). I remember my summer when I was going into third grade, and at times I felt a little bored and wished school was here. You might even be feeling a little excited and nervous all wrapped up in one.

Well, since we have about four weeks of summer left, I thought I would get you thinking again. I have enclosed some fun activities for you to try over the next few weeks. **NO, IT IS NOT HOMEWORK!!!** These activities are **OPTIONAL**, which means you may choose to do as many as you would like. You can do them alone or with some friends. Bring the finished products to school the first few days, and I will display them.

I am looking forward to meeting you and your parents. Enjoy the rest of the summer, and come to Room 27 ready to fill your brain with tons of awesome knowledge.

If you have any questions, email me at ssloan@lom.com.

Sincerely,

Miss Sloan
