

Halloween

October 31

Boo! Did you jump? Are you scared? Halloween is the day of spooky ghosts and mean witches. On Halloween, we dress up in costumes. We go to parties. We march in parades. And we go trick-or-treating for candy! Halloween is a day of make-believe and fun!

Halloween for Dogs

Directions: Read the story. Then complete the activity.

I have a dog. His name is Bud. Bud is a pit bull. He is light brown. He has really short fur. Some people are afraid of pit bulls. But Bud is not scary at all. He is a very silly dog.

Bud can do tricks. If I throw a stick, he will run to get it and bring it back to me. If I sing a song, he will howl with me. I guess he thinks that he is singing, too! Bud makes my whole family laugh.

Each Halloween, I take Bud with me when I go out trick-or-treating. He loves it! He likes to go from house to house. He gets lots of dog treats. He gets to see some of his dog friends.

The thing Bud likes best about Halloween is that he gets to dress up. Each year, my mom takes us to the pet store. They have lots of costumes for dogs.

Last year, Bud wore a lion costume. He looked great. Another time, he dressed like a bumblebee. He looked silly. This year, Bud will dress like Superman.

I love Bud. Halloween is so much fun with him. Everyone likes to see what Bud will wear. I can't wait for October 31!

Activity: What would you like to see Bud dress up as? Draw a picture of Bud in his costume.

Pumpkin-Seed Name

Count how many letters are in your first name. Color that many pumpkin seeds light brown. Write each letter of your name on a seed. Cut out each seed that you colored. Place the seeds on a piece of orange construction paper. Arrange them to spell your name. Paste the seeds to the paper.
