

Name: _____ Date: _____

Aa

Directions: Trace each letter. Then write each letter as many times as possible.

a a a

a a a

Directions: Trace the sentence. Then write the sentence.

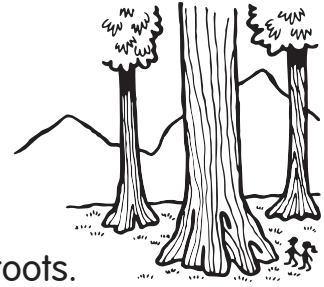

An acrobatic albatross
admirably accelerated
in the air.

Name: _____ Date: _____

Redwood Trees

Directions: Read the following paragraph. Then rewrite it using your best cursive.

Redwood trees are the tallest living trees. Their bark is reddish brown. The bark protects the redwood trees from insects. Redwood trees grow from seeds. The seeds come from cones. A redwood tree can also sprout new trees from its roots.

Handwriting practice lines consisting of multiple sets of solid top and bottom lines with a dashed midline for cursive practice.
