

Wash Your Hands

1. Cut out each picture that shows when you should wash your hands.
2. Glue the pictures in the boxes.

What Do You Use?

Directions: Circle the things that you use to wash your hands. Color them.

If You Are Sick

1. Circle two pictures in each row that show things you should do when you are sick.
2. Cross out the picture in each row that shows a way that germs spread.

Row 1

Rest and drink water.

**Row 2**

Be careful when you cough.

**Row 3**

Try not to spread germs.
