20	“Reincarnation”	84	700L
21	“Swimming Hot and Cold”	88	850L
22	“Taxing Day”	90	900L

These measures provide a quantitative evaluation of a text, and they are meant to be just one factor that decides a text’s appropriateness for readers of a certain grade level. Some passages may fall below or extend above the recommended ranges listed in the table. Other important factors include the tasks students are asked to complete and the text-dependent questions they are asked to answer.

**Reference Key – Typical Measure Ranges for Grade 6**

Typical Reader Measure	Typical Text Measure (Text Demand Study, 2009)	Typical Text Measure (CCSS, 2012)
665L to 1000L	860L to 920L	925L to 1070L
